SS REGENT PARK

WELL ESTABLISHED
WELL RUN COMPLEX.

Very well run, neat complex consisting of simplexes and duplexes. Loads of happy families

living here. Most of the units are upgraded and modern. Each have their private gardens, most with a fabulous view. There is a lovely children's play area on the common property, which is shared by all residents. Levies and rates are reasonable. There are three rows of units with tarred driveways in between. Also very convenient to the M13, the N3 freeways, reputable schools, shopping centres and the Hillcrest Private hospital.
