SS MONTACUTE

FAMILY COMPLEX
WITH EXTRA PARK
GARDEN.

This is a well run complex with 14 simplex units, built in two's in 1991. Facebrick so low maintenance. Good financials and managed by Infinite Properties. The communal gardens and park area are very well maintained by the complex gardener on site every weekday. Exclusive use gardens, have the grass cut by the gardener as well and included in the levies. One small dog permitted per unit, subject to terms and conditions. Refuse collected from outside garages early on Thursday mornings by the gardener, who then drops the bags outside on the verge. A real family communal feel here. Very peaceful and quiet.

Features

- ✓ Remote Access Control
- ✓ Electric fence roadside
- ✓ Avocado, grapefruit and lemon trees
- ✓ Electric Gate
- ✓ Park for children and dogs to play
- ✓ Good security fencing
