Industrial land in Meyerton

This 1800 square meter industrially zoned vacant land is located in Meyerton, offering a strategic position for various industrial activities. Situated adjacent to main roadways and in close proximity to the highway, the property ensures excellent connectivity and ease of access for transportation and logistics operations. Its location is ideal for businesses that require convenient transportation links, making it suitable for the construction of factories, truck warehouses, and other industrial facilities.

The land provides ample space for large-scale operations, catering to the needs of manufacturing units, storage facilities, and distribution centers. Its flat terrain and industrial zoning allow for a wide range of uses, accommodating heavy machinery and large
