Warehouse space to let in Durban

Dormehl Phalane Musgrave presents 620m² of factory and storage space to let on the third floor of a building on Durban's Stanger Street.

This space can be sub-divided into separate spaces, such as for use as an administration office. There is also a separate section that can be converted into a canteen with benches.

This space would work well for a small- to medium-size manufacturing business, or a wholesale distributor. It is close to the harbor, so could work very well for storage.

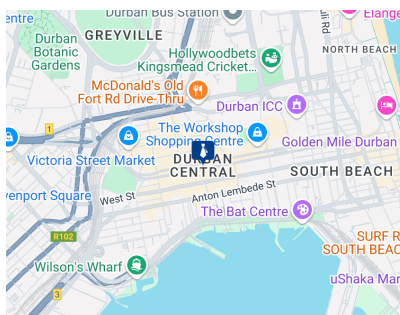

At a very competitive rate of R80per/m² - and well positioned away from Durban's busy CBD - this space could be your expansion or starter business.
