Industrial Workshop To Let

Situated just a mere 300 meters away from the R59 offramp, this workshop boasts a generous 274 square meters of floor space, complete with a standard height roller door entry point and an office space for added convenience. Perfectly suited for the engineering and manufacturing sectors, this workshop comes equipped with 150 amps of three-phase electricity to meet the demands of industrial operations. The industrial park where the workshop is located offers round-the-clock access control, security patrols, shared ablution facilities, and an on-site caretaker for added peace of mind. For administrative needs, additional offices are available for rent within the same premises, along with a variety of rental workshops in different sizes within the same block.
