## Schoongezigt Residential Estate

**Vacant Land (42)**  
From R760,000  
Size from 889m<sup>2</sup> to 1,182m<sup>2</sup>

### Live a truly memorable life

Schoongezigt Estate shares a boundary with the Kgswane Nature Reserve which forms part of the Magaliesburg mountain range in the North West province, a truly magnificently recently declared biosphere.

This is a high secure estate that emphasises beautifully designed homes that encourage 'green' living, from both an architectural and aesthetic viewpoint.

Investors can build their own homes or choose from a range of building packages. Other attractions include walking, jogging and mountain bike tracks that meander through the Estates acres of indigenous green belt and unspoilt wildlife - complete with bird life, picnic spots...

### Features

- ✓ Residents also benefit from a variety of facilities, including a secure gatehouse, central location to essential facilities like, shopping centres, pre-primary, primary and high schools and medical facilities ensure added convenience for our residence.
