Prime Vacant Land Development Opportunity!

This portion of vacant land stretches over 7606 square meters of scenic nature. The property is currently in its final zoning processes with re-zoning to residential 2 for 20 sectional title units. And just like that an opportunity arises... Bulk contributions to be paid by owner before registration in the deeds office. All the services are immediately available, which include water, electricity and sewerage.

Invest in a developing property market and either sell the sectional title units that are yet to be built, or rent them out for a sustainable monthly income. This is an investment opportunity not to be missed! Riversdale is a new developing suburb boasting big houses and townhouse complexes. Newly built units in Riversdale are not a problem to rent or sell out. Contact me for a viewing
