Unbelievably Cheap 7 Bedroom Property in Polokwane

Cheap doesn't begin to describe it.

To give you the short version; this property is built on a 1568 square meters of land. The property has 2; the first house on the front has 4 bedrooms, 2 fully fitted kitchens, 3 bathrooms (which 2 are ensuites), 2 lounges, a dining room and a storeroom. Not forgetting a double garage and a carport.

A second house at the back has 3 bedrooms, open plan kitchen and lounge and a separate bathroom with bathtub and shower and a toilet. There are other carports to park five cars.

The property also has an enclosed braai area with its own shower and toilet, and a beautiful swimming pool. Words cannot fully describe this property, you have to see it for yourself because the asking price is so shockingly low for a property of its magnitude.
