A flawless, spacious family home...

Prime, pristine and basically perfect is how this gorgeous family home gets described. These are one of those houses that everybody drives by and think, I want to live in a house like that one day... And just imagine driving up that exact, handsomely paved driveway everyday when coming home after a long day and feeling the pride of owning such a glorious property. A spacious 4 bedroom 2 bathroom, including a guest bathroom, home with so much to offer. Stunning built-in cupboards in every bedroom with ample storage space, the main bedroom is ideal for the parents of the house seeing as it has an En Suite bathroom and a walk-in closets. Another bathroom for the younger ones and even a guest bathroom for when the grand parents come to visit or family friends. Speaking of having guests over, the buyer would be pleased to hear that...
